What you can do, and what we actually mean when we say things like “order a wife”, is an opportunity to meet foreign mail order wives from the comfort of your own house, communicate with them online, and develop a serious relationship on your own terms.

Then, you can decide when to meet in real life and get married if there is a genuine connection and you want to be together. No one is buying or ordering anyone, and the marriage is strictly consensual for both parties.

03 Find the most reputable mail order brides service

These are the five things to look for on a dating site when you want to find a foreign wife:

- 1. Number and quality of the profiles.**
- 2. Modern design and mobile version of the site.**
- 3. Variety and cost of communication features.**
- 4. Presence of success stories/absence of negative reviews.**
- 5. Availability of customer support.**

04 Reach out to the potential foreign wives

Five essential steps to meet women on dating site:

1. Choose the women who fit your criteria. Try to not limit yourself to just one at first.
2. Start with small talk and graduate to bigger issues. You don't want to scare the ladies away with deep questions, but you also cannot find a wife by talking about weather and cats for months.
3. Talk about your vision of the family. This is by far the most important thing you need to discuss when you are looking for a wife.
4. Utilize the site functionality in full. Most dating sites offer many features like video chat, phone calls, and gift delivery can really make your relationship special.
5. Make your relationship exclusive. It's a good idea to keep your options broad in the beginning, but as things progress, you need to focus your attention on just one lucky lady.

05 Take your relationship with one of the girls offline

You will need to use this time not just to have fun and explore a foreign country, but also to see if your relationship works in a natural environment. It's easy to be charming and sociable online, while an offline romance often proves harder than it looks. Typically, couples meet in real life 6 to 12 months after they begin their online correspondence. Hopefully, things work perfectly in your situation and your internet bride turns into your real wife!
